2026 GMC Yukon

Denali 4D SUV 4WD
420 PS, 6.2l, V8, Automatic, Gas

Sale only commercially - B2B
The vehicle is delivered with a COO Certificate of Origin or US title - an EU homologation with a German vehicle registration document is not included in the vehicle price and must be ordered separately if required. Accordingly, no EU registration is expressly included in the price.
If you would like to register with the German road traffic authority or within the EU, this is your own responsibility and requires additional clarification on request.
If the EU homologation / German registration - vehicle registration document is no longer required, we will give you a discount if indicated - if the discount is already included in the basic price, the discount amount will be shown as -0 €.
